

ANIMAL BOWEN THERAPY

COURSE LAYOUT

3 EASY STEPS TO CERTIFICATION

**IT'S YOUR TIME TO BRING
ANIMAL BOWEN THERAPY TO THOSE IN NEED!**

CANINE BOWEN INSTITUTE

STEP 1 ~ RESPONSE5

- Sign on to Response5 www.response5.com
- This is where the fun begins!
- **Response5 is your Introductory Course** and the place where you begin to hone the skills of Animal Bowen Therapy
- This is an easy to learn and easy to apply technique, that will have you practicing with animals within just a few hours!
- Response5 has been received in 15 countries and is the #1 taught course at the Canine Bowen Institute.
- **3 case studies are required to move onto Level 1**
- **All the details and case study forms are included with Response5**
- **BONUS MATERIAL IS GIFTED ~ MY SECRET "MOVES"**

STEP 2 ~ LEVEL 1

- With your 3 case studies completed from Response5 you are now ready for **Level 1 ~ Whole Body Balance!**
- You are now expanding the 5 steps of Response5 into a full Animal Bowen Therapy session of 15 steps (called "Moves" in Bowen)
- Detailed videos and audios easily walk you through each step
- Together we dive deeper into assessing the mobility of the Canine, and solidify your leadership skills to successfully team up with an animal
- A detailed manual is added to your learning
- ...and of course one on one communication with your Instructor is offered!
- **4 case studies and 4 written assignments brings you to Level 2**

STEP 3 ~ LEVEL 2

- **This is your graduating Level!**
- Once completed you will be certified by the Canine Bowen Institute, as an Animal Bowen Therapy Practitioner
- Level 2 is named **Canine Specialty Moves**
- It's at this level that you really dig deep into the added tools of Animal Bowen Therapy to resolve the "tough cases"
- Together we ensure that you are ready and confident to step into the world as an Animal Bowen Therapy Practitioner!
- As always a detailed manual and one on one communication with your Instructor is offered
- **3 final case studies completes your learning!**

A RE-CAP OF WHATS INCLUDED IN EACH LEVEL

- Detailed Manuals
- Printable Anatomy and Physiology Pdf's
- Printable Case Study Forms
- Bonus Printable's
- **Detailed Learning Videos to watch over and over!**
- Library of Knowledge filled with videos and printable pdf's!
- Audio Messages from your Instructor
- Video Messages from your Instructor
- **Free One on One Live Video Chat Reviews**
- Personal ongoing support
- **Free Bonus material**
- **Self-paced learning**

I'M EXCITED FOR YOU!

Stepping into the world of Animal Bowen Therapy is like stepping into a piece of yourself that you never knew could come to fruition!

...but it does, and it's life changing!

It's the biggest gift you can possibly give to yourself, and the best way to be of service to animals in need.
