# THE BONUS OF SELF PACED LEARNING

I'm not a big fan of "Keeping up with the Joneses" !

The pressure of having to :  
sign up at a certain date,  
reschedule your life to attend class,  
and feeling forced to keep up with the pace of assignments and case studies in  
order to meet deadlines for the next class,  
is NOT the way I want you to approach Animal Bowen Therapy!!!

I think you'll agree !

If you need time and space to complete the course, TAKE IT!  
If you're crazy excited to dig in and get it done, DO IT!

**EITHER WAY, IM HERE TO SUPPORT YOU!**

# **100% ONLINE LEARNING**

Personally,

I love how Animal Bowen Therapy translates online!

Love the detailed videos that you can watch over and over!

Love connecting with you one on one, giving exactly what you need when you need it!

Love that I can offer this incredible therapy where ever you are on this beautiful planet!

~ Debi Famelos

My passion and dedication to place
